Sailing rules

Let's make today safe!

Rules

- Safety comes first, do not take any risks.
- Always sail starboard (right) at such a speed that no annoying waves are created. Always adhere to the maximum speeds.
- Commercial traffic (including tour boats) always has the right of way.
- Make sure it is clear to others in which direction you are sailing. Approach bridges in such a way that you are visible to potential oncoming traffic.
- It is forbidden to operate a vessel under the influence of alcohol or drugs.
- You may not moor (NED: afmeren) to trees, under or to bridges, and at places indicated by a no mooring sign.
- Amplified sound is not allowed on the sloop and/or dock.
- People live on and around the water. Respect their privacy. Do not cause nuisance on the water or when departing/returning to the De Kleine Kapitein Utrecht dock.
- It is mandatory to have sufficient life-saving equipment on board. The blue cushions (in the sloop or at the dock) are life-saving equipment. One cushion is suitable for 2 people. If there are not enough cushions on board, ask a dock worker for them.
- Do not drink alcohol when sailing down the OudeGracht
- **IMPORTANT:** Have fun!
